They have **advanced skills** in their own precise speciality, as they study to become teachers, scientists or computer techs; as they are glorious athletes, future actors or artists! ## MORE INFORMATION

All taxpayers are entitled to tax reliefs, but rules and calculations may apply according to your family situation and income.

**Provincial:** it is a tax credit ranging between 26% and 75% of the amount paid for childcare. The percentage is based on family income.

**Federal:** it is a deduction of the fees paid from on the lowest income of the parents. The amount paid for childcare lowers the income and therefore lowers taxes paid on the equivalent of the amount of childcare expenses.

On February 28 at the latest, following the summer when the fees have been paid, we will issue a statement for child care costs (Relevé 24) which you will be able to print from your registration file for your provincial and federal tax returns.

*This information, based on the 2018 tax data, is meant to briefly explain how deductions work and are for illustrative purposes only. As family situations vary, please contact a professional or refer to the documentation provided by both governments for full details.*

## WATER GAMES

On several occasions during the week, groups will visit the outdoor water play area. Several stations (small pools, slides, sponges, water guns, etc.) will be installed to cool off and have fun. The frequency and timing of water games may vary from week to week during the summer and depending on the weather. Please provide the appropriate personal effects each day.

## NEWS FROM MY WEEK AT DAY CAMP

So that every child can have a positive experience, we will issue a behavioral follow-up note every Tuesday, at the end of the day, which will keep you informed about your child's attitude and involvement during the week (following instructions, respect for others, participation in activities, etc.) It is issued early, since it is a key way to inform the parents of any situation demanding some adjustments. Please take a few minutes to discuss it further with your child and never hesitate to talk to his or her counselor if needed.

## MEDICATION MANAGEMENT POLICY

Except for epinephrine auto-injectors (EpiPen®) that the child must always have at hand (in a backpack, waist pack or in the counselor's bag), all medicine must be left at the reception desk.
